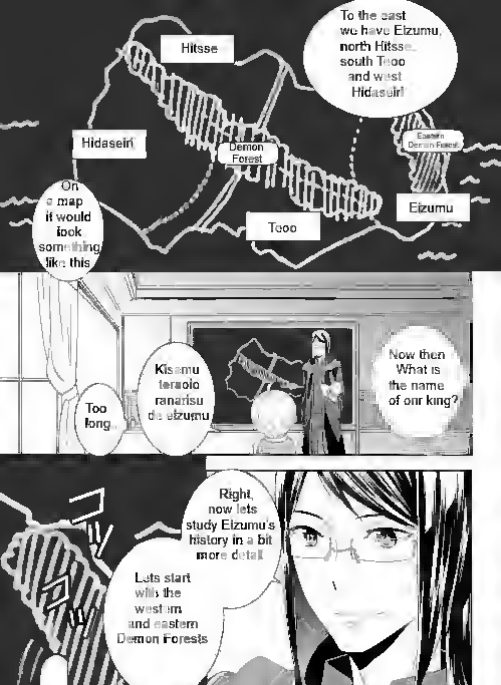
It feels like our relationship has veered Towards that of a friendship
Ahhh!!! mmm mm
It's been 3 month since I Met John-Sensei
Too Much Work!!
This Is Endless!!!!
Please stop with the "if it's you then you can do it" aura
Damm!! What a Sadistic Teacher.

Oh my
You couldn't
Complete it
all.....
Is it ok to stop
now i wonder
I have studied
hard
I m only 3
years old
That s
right
Will Is only
3 years
after all
No good!!
If I bail here
I have no idea
what he will
say
Don't
lose
me....!!!
Hang in there
me....!!!

The next day
oh ? Did i tell you to finish it at ?

Ah because of that you studied all of it
Yo you said that i should study from this book
Killing Intent!!!
Theu with that whatever i ask should be fine
I waut to punch that smile

This land we reside in is called the Lanaa Continent
In the Lanaa Continent there exists four Countries
Well then today it is time for history and geography studies
Ok
Now then what is the name of the country that we live in ~ ?
The Eiznmu Kingdom
Correct



Hitsse
To the east we have Elzumu, north Hitsse, south Tooo and west Hidaseiri
Hidaseiri
Demon Forest
Eastern Demon Forest
Elzumu
Tooo
On a map it would look something like this
Too long..
Kisamu teraoio ranarisu de elzumu
Now then What is the name of our king?
Right, now lets study Elzumu's history in a bit more detail
Lets start with the western and eastern Demon Forests

Will can you explain about the origins of this Kingdom?
um
That person became the first king and the settlement was the beginning of the Eizumu kingdom
The person who cleared the land between the demon forests s the first king quite strong royalty eh
If im not mistaken then the eastern Demon Forest was originally called Eizumu
Right
Then someone cleared and settled on the land between the east & west Demon Forests

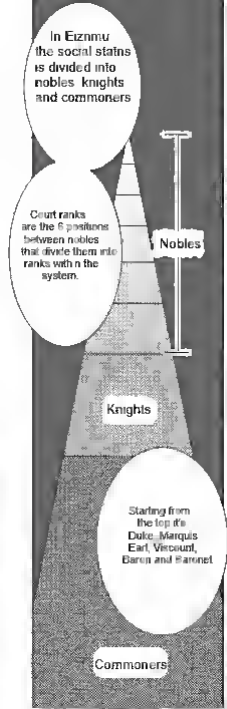
If I was told about the scene of this lesson I would have done better
You studied well
The royal family of this country is closer to the people than in other countries
exactly because of the history of creating this country together
hmm?
Now then Concerning the relationship of Nobles that we talked about last time

Did he forget that he has not taught me about that yet?
That's fine and all but I have still yet to learn about court ranks

yes.?
teacher
He forgot.

ah
I still have yet to hear about court ranks
"Ah"?
as i thought, he did forget!!
eh?
Giving me a book and talking for long
now for the final touch
And you never say anything about the scope of the lesson
okay, it's payback time for before

No need for reservations
Go ahead
It's ok... Continue
I'm Sorry... I wont say anything anymore...

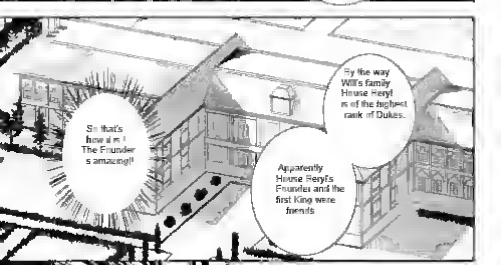


In Eiznmu the social statns is divided into nobles knights and commoners
Court ranks are the 6 positions between nobles that divide them into ranks with n the system.
Nobles
Knights
Starting from the top it's Duke, Marquis Earl, Viscount, Baron and Baronet
Commoners

Seriously where did the innocent child from back then go
You are the last person who should be saying that.

Yes please
Now lets begin explaining about the court ranks

I see, s
in this world
birth determin
your st
but it's pos
to raise in
rank wi
a achievement
it's possible
to raise in rank
if one makes a
great contribution
Additionally
a knight that
has achieved
enough credits
can become a
Baronet



So that's
how it is!
The Founder
s amazing!!
By the way
Will's family
House Reyd
is of the highest
rank of Dukes.
Apparently
House Reyd's
Founder and the
first King were
friends

But well,
because of that
it's unders
that they
the rank of
Viscount
Additionally
House Velkr
is one of the older
families around as well
Although
a female is
mean that they will rise
in rank.
You have
a scary
look on your
face!!

The current King is exceptionally talented even when compared with previous generations
I would like for that to happen as soon as possible
So scary!! You've been scary for a while now teacher!!
He is currently looking for ways to clean out all the "rotten trash" from the system

How can you disclose something so important so nonchalantly
That was confidential information from the royal court so keep it a secret

Since master is probably going to be involved you better work hard as well
So be sure to study hard!!
That's even more than before no way ugh
Ahh dad's study was filled with documents concerning Johns family's dark workings
!!?

ｶﾀｶﾀﾀﾀﾀ
ﾀﾀﾀ

ready?
this is the place

William Beryl's abduction
The purpose of their infiltration is

Shadow
